## Summer Session

Over the summer, we continue our child care program from 7am to 6pm for children ages 2 to 6. Using weekly themes as our inspiration, teachers plan special art projects, games, songs, books, snacks and activities. Our schedule is more flexible during the summer, but the underlying structure of the school day provides the continuity and security our children have come to expect. Summer session is open to current students of St. Matthew's EEC. After April 17, 2023, former EEC students that will have just completed Kindergarten are welcome to register for Summer Childcare 2023. This is based on availability as of April 17, 2023.
