Summer Session

Over the summer, we continue our child care program from 7am to 6 pm for children ages 2 to 6. Using weekly themes as our inspiration, teachers plan special art projects, games, songs, books, snacks and activities. Our schedule is more flexible during the summer, but the underlying structure of the school day provides the continuity and security our children have come to expect. Summer session is only open to current students of St. Matthew's EEC.
